On behalf of the DSF Board of Directors, I would like to welcome all of you to the 31st Annual Diplomatic Security Foundation 'Mike Considine' Charity Golf Outing. The golf outing is named in Mike's memory as he is the one who had the idea back in 1990 to start this event to raise funds for the foundation. We are all benefiting from his vision.

We are thankful to have you all here today. Our hope was to have a decent turnout this year, considering the ongoing covid situation, but we have been blown away by the enthusiasm of you, our golfers – we are sold out! Your participation in this event and contributions to the Foundation are essential in our efforts to help members and friends of the DS global community when tragedies strike, many of whom have few other options for assistance. Since last year's event, the Foundation has gifted more than \$70K in grants to our security colleagues domestic and overseas. We have been particularly hard hit with our local embassy security colleagues succumbing to COVID, and your generosity has helped numerous families.

We owe a special thanks to our corporate sponsors whose generous contributions add so significantly to the outing's success. We are especially grateful to Pat Donovan at Chevron and Cam Burks at Roku for their steadfast and generous support of DSF. Thanks too to all our individual and group donors, as well as those who have contributed the wonderful and unique prizes for our raffle. Lastly, we are especially grateful for all of our volunteers, without whom we literally could not have this great event.

All of us, the DSF Board, staff, and volunteers hope you make the most of today's relaxed atmosphere and this delightful setting for our golf outing. Put your regular responsibilities aside for a few hours, play a great game of golf, enjoy the company of colleagues and friends, and appreciate that you are also helping those in need. And don't forget to stock up on mulligans and raffle tickets to enhance your Golf Outing experience -all proceeds go to DSF to help the Foundation continue its mission.

With thanks from the DSF Board of Directors,

# ABOUT DSF

31st Annual DSF Mike Considine Charity Golf Outing

Since 1995, we have helped those in the DS "family" during times of hardship or loss with grants totaling over \$1,250,000

## OUR MISSION

The Diplomatic Security Foundation (DSF) provides timely financial support and charitable contributions to members, and their immediate family, of the US Department of State's Bureau of Diplomatic Security and colleagues in the law enforcement and US foreign affairs community.

## ABOUT DSF

DSF was founded in 1995, as a charitable, non-profit organization. DSF has provided support far and wide over the years to families of DS Special Agents, local and foreign police professionals, and others in the DS world-wide "family". Contributions are given to families in the event of death, illness, catastrophic disasters, and other extreme circumstances. All grants given by DSF are considered gifts and do not require repayment. No membership is required to receive assistance. Since 1995, DSF has provided more than \$1,000,000 in grants to those requiring assistance due to hardship or crisis, and \$250,000 in scholarships. A complete list of the grants we've made this year is available on the next page and on our website: [www.dsfoundation.org](http://www.dsfoundation.org).

## HOW YOU CAN HELP

DSF relies solely on the support of charitable donations and does not receive any funding from any government entity.

- To make your gift today, please visit us at [www.dsfoundation.org](http://www.dsfoundation.org).
- DSF participates in the Combined Federal Campaign. Our CFC number is 96262.
- Shop at Amazon Smile and Amazon will donate 0.5% of purchases to DSF (make sure to choose DSF as your charity). We've received over \$7,000 from Amazon since 2015.
